To whom it may concern:

I am pleased to write this letter of recommendation for Wong Lok Yin. Mr. Wong used to work as a full-time Software Engineer in R2C2 for a one-month internship period. I can confidently say that he has comprehensive front-end development skills. Apart from technical capability, Mr. Wong possesses a mutual mindset and workflow which allows him to acquaint himself with the core team quickly.

Mr. Wong is a dedicated individual who knows how to complete tasks fast and effectively. He is always punctual with his timing and completes projects on time. He demonstrates great communication abilities and gets along well with colleagues.

Mr. Wong would be a valuable asset to your company and has my highest recommendation. I am positively certain he will demonstrate his suitability for the position for which he has sought.

Yours faithfully,

San Wong
